

# WAYNE MASTRACHUK

TO SEEK PRESIDENCY  
OF THE

PROGRESSIVE  
**Conservative**  
Party of Saskatchewan

*Dear  
Party Members,*

I wish to announce to you that I will be seeking the Presidency of our Party at the January 16<sup>th</sup>, 2022 Annual General Meeting to be held in Regina at the Double Tree Hilton Convention Centre.

As many of you know I have been a long time member of our Party and have served in many capacities over the years, including over 20 years as the President of the Canora Pelly Conservative Organization, 24 years on the Provincial Executive and recently was named as the Chief Official Agent of the Party.

In my personal life I have worked in the Energy Sector and served as an RM Councilor, more recently I have been operating my organic farming operation. I have been married to my wife Val for 48 years and have two sons, Russell and Colin.

In closing and as you consider me for President I want you to know that I live my life under some basic principles taught to me by my father and God. That being fairness, honesty, and being straightforward. I also believe strongly in one of the Progressive Conservative Party of Saskatchewan's primary founding principles that is, **Equal Rights under the Law Without Discrimination.**

I HUMBLY ASK FOR YOUR SUPPORT  
ON JANUARY 16TH.
