

## Campaign Promise for Education in Saskatchewan

The Progressive Conservative Party of Saskatchewan are committed to ensuring all children have access to the best public education system we can provide. To do this we pledge to take the following steps:

- 1: ensure public funds go to public schools only
- 2: address and resolve the issues of classroom size and complexity
- 3: implement a breakfast and lunch program
- 4: take politics out of the classroom (repeal the “Pronoun Bill”)
- 5: ensure teachers and administrators have the proper resources and not feel the need to pay for things out of pocket
- 6: reduce or eliminate student fees families pay out of pocket
- 7: chain education funding to inflation.

Our children are our future and deserve better. The Progressive Conservative Party of Saskatchewan WILL do better.
