

Agriculture: Farmland Ownership Policy (P2)

1. Change makeup of Farmland Security Board's board of directors
2. Put Board back under Ministry of Justice purview rather than Ministry of Agriculture
3. Make General Manager of Board more proactive in investigation of proposed land sales
4. All prospective buyers must sign an affidavit swearing that they are citizens of Canada or permanent residents who will actively farm in Saskatchewan and maintain a residence in the province.
5. Require Corporations involved in the purchase of farmland reveal the names of all share holders (who must also have Canadian citizenship or permanent residency).
6. All purchases of farmland in Saskatchewan must be done in Canadian currency and its derivatives.
